

“Out of Network” Policy

Your dental benefits and insurance are a contract between you, your employer and the insurance company. Therefore, it is the patient’s responsibility to know if **each dentist** at Hutchens Family Dentistry is “in network” with your insurance plan before any scheduled visits. While Hutchens Family Dentistry makes every effort to help you determine your coverage, we contract directly with the insurance companies. **We are not part of the contract between you, and/or your employer and the insurance company. We will not, on your behalf, resolve any enrollment discrepancies. Such enrollment issues are yours and/or your employers responsibility.** Therefore, if you are seen by either dentist with “out of network” benefits with your particular insurance or benefits plan, you will be responsible for payment to Hutchens Family Dentistry for all charges.

IT IS YOUR RESPONSIBILITY TO KNOW IF **EACH DENTIST** IS “IN NETWORK” WITH YOUR INSURANCE OR BENEFITS PLAN. YOU WILL BE RESPONSIBLE FOR FULL COST OF SERVICES NOT PAID BY INSURANCE.
